ABBY RIOS,

Plaintiff,

vs.

WAL-MART STORES, INC., *et al.*,

Defendants.

2:11-cv-1592-APG-CWH

ORDER

This matter is before the Court on Defendant's Proposed Scope for Treating Physician's Testimony (#77), filed December 31, 2013. The parties have not complied with the Court's order to meet and confer and submit a stipulation and proposed order on the findings made during the hearing held on December 11, 2013. *See* Mins. of Proceedings (#76). The parties are, again, instructed to meet and confer and submit a stipulation and proposed order that captures the findings and rulings made during the December 11, 2013 hearing. As the motions under consideration during the hearing were filed by Defendant, the Defendant shall initiate the meet and confer and undertake the task of drafting. To the extent the parties are unable to agree on any aspect of the Court's prior order, they are directed to include any such disagreement within the body of the stipulation and proposed order. It is insufficient to simply exchange drafts of the proposed order or letters. The parties must personally consult. Defendant shall submit an affidavit which accurately captures the effort and detail of all attempts to meet and confer. Failure to comply with this order may result in an order to show cause why further sanctions should not be imposed. Accordingly,

**IT IS HEREBY ORDERED** that Defendant's Proposed Scope for Treating Physician's Testimony (#77) is **denied**. The parties are instructed to submit their stipulation and proposed order not later than **12:00 PM on Tuesday, January 14, 2014**. Failure to comply with the

1 requirements set forth in this order may result in an order to show cause why additional sanctions  
2 should not be imposed.

3 DATED: January 2, 2014.
